Report to the Listener

Jim Berland, General Manager.

On May 19th the Pacifica National Board will meet in Berkeley to continue the restructuring of the National Organization which was voted in January. At the same meeting it is likely that the Board will receive the recommendations from the KPFK staff, programmers, and Board as to who should be hired as the new general Manager. Currently the process for determining those recommendations is under way. A screening committee made up of representatives of the Station Board, the paid staff, the volunteer programmers, and the Friends, is looking at submitted resumes, interviewing potential candidates, hearing from listeners and subscribers, and introducing those candidates judged to be worthy of strong consideration to the Board, Staff and programmers. Each of these groups will vote their preferences which shall be forwarded with the recommendation of the Executive Director to the National Board.

I a m confident that the process will go smoothly and that there will be a transition taking place some time in June. As I write this, I do not yet know how youwill have responded to our April Fund Drive. If the response is strong, the station will continue its stabilization and growth. We are proceding to hire new staff in programming, to complete the subscription system transition, and review the station's programming and decision-making processes.

Our response to the escalation of the U S role in Central America, the elections in the United States, the Malathion spraying in Los Ange les, continue to demonstrate the importance of our role in Southern California. We intend to strengthen our efforts in these areas, and will be able to with the hiring of permanent staff in the programming departments.

We are making plans for the celebration of our 25th Anniversary, which will kickoff in July. We went on the air July 26, 1959. We will mix that celebration with alternative coverage of the Olympics, examining the impact of this massive event on Southern California communities; who benefits, who is hurt; the impact on international relations, the nature of the Olympic movements, the impact of commercialism, the meaning of sports in our culture, and many other questions which will not be dealt with by the comm mercial media.

We are planning to conclude our 25th Anniversary celebration with a major public event, honoring five prominant world figures for their lifelong dedication to peace and justice. As we are reportedly just a few days away from signing agreements to bring the Subcarrier leases into being, we re busily plan ning the best debt retirement plan, and the possible use of the money for much-needed equipment purchasing.

As all of this comes to be, KPFK and Pacifica will be able to reach new levels of service, new listeners and greater visions. It has all been possible because of your support, and we all thank you and urge your continued generosity to assure that KPFK can live up to its promise.

OOPS! WE GOOFED!

Special notice to some of the people who got the Brian Eno Outtakes premium:

Only subscribers from the April and September 1983 fund drives are affected. If you have a defective Eno Tape, please write (don't phone) the station, attention Pam Burton, Eno Problem, and we'll be happy to send you a corrected tape. Include a return business-size envelope with you mailing address.

Thankyou.

PRESENCIA LATINOAMERICANA

Hace algunos dias el semanario L.A. Weekly presento un numero especial dedicado a exponer la situacion actual de Centroamerica. Diariamente la television, los diarios; en fin, todos los medios masivos de communicacion tienen los ojos puestas en lo que algun poeta dio por bautizar como la cintura de America. En sumo Cenroamerica hierve y hasta aca nos llega su calor.

Como Latinamericanos en el extranjero. la necesidad de mantenernos informados--sobre lo que acontece en nuestras respectivas patrias es muy grande y a la vez muy importante. Desgraciadamente, la informacion que aqui obtenemos, es con frecuendia--manipulada de acuerdo a los intereses de quienes persisten en desvirtuar los cambios sociales que se estan gestando; y si bien vivimos en un pais donde la libertad de expresion es muy amplia. las posibilades de estar mal informado se multiplican--conforme los intereses de las fuentes informativas.

Comunmente la informacion convencional que se difunde, es filtrada y controlada de tal forma, que en la mayoria de los casos poco o nada tienen que ver con la realidad. Sin embargo, la verdad siempre sale a la luz; y entre mas se le reprime, mas violenta es su aparicion.

La participacion de los medios masivos de comunicaion en un proceso de cambio--es elemental y necesario: Uno permite contrarrestar un poco la manipulacion que--aplican los detentores del poder a la informacion, Dos, amplia nuestra conciencia--permitiendonos una participacion mas activa y critica en la solucion de nuestros problemas.

El control de informacion, y el despertar de Centroamerica, han provocado la formacion de una red informativa que da a concer el desarrollo de este proceso; y nosotros, como Colectivo Latinamericano hemos tomadomla responsabilidad de difundir la informacion que los medios comerciales de comunicacion no pueden. No somos pues un accidente en el cuardrante del radio; como tampaco lo son las diferentes publicaciones o expresiones artisticas que constantemente aparecen en la comunidad. Creemos que es valido decir, que somos el resultado de la lucha del hombre Americano.

Sineramente
Sus Companeros Del
Colectivo Latinamericano.

****

Last month an L.A. Weekly issue was devoted to exposing the current situation in Centrá America. T.V., newspapers and other media are constantly watching a region baptized by a poet as "The Waist of America." In other words that region is boiling and we are feeling the heat.

As Latinos in a foreign country, we need to be informed about what is happening in our homelands. However, the information we normally get is manipulated by the corporations and big trusts We live in a country where freedom of speech and press is very much respected, but Newspaper Chains, radio and T.V. networks create the possibilities of distorting the news A lot of interests are involved.

Frequently the information that comes to us is not the most accurate. In some cases it is not true at all.

It cannot be denied that the role played by the communication media in social changes is important. It is a necessity. But yet, the Alternative media is more important. First, it helps to diminish the manipulation by the ones who have the power of the "Big Media." Second, it lets minorities actively participate in the communications process. Consequently a network that permits information of the development of our countries' issues has been created. El Colectivo Latinamericano has taken the responsibility of informing our listeners and readers of what is happening in our lands and we do it honestly.

We are not an accident on the radio neither are the different publications or artistic expressions that constantly appear in the Latino Community. We believe it is valid to say that we are part of the Latin Ametican peoples' struggle.

Fraternally,
Your campaneros from the
Colectivo Latinamericano.

INVENTARIO

LA IMPORTANCIA DE LOS MEDIOS ALTERNATIVOS DE COMMINCACION

En los ultimos anos, han tenido lugar diversas experiencias de communicacion popular. Numerosos grupos progresistas buscan constantemente nuevas formas para comunicar sus inquietudes y promover el cambio social. El cine, la prens sa, la radio y otros media, son los instrumentos empleados por estos grupos. Su auge obe-

COLECTIVO

LATINAMERICANO

dece a la necesidad que grupos politicos y organizaciones sindicales, estudiantiles y de otros tipos tienen de expresar publicamente sus puntos de vista y comunicarse entre si. El desarrollo de estos tipos de comunicacion, que constituyen un sistema al margen de los medios de difusion comerciales, revela la incapacidad de estos ultimos para expresar los intereses de los trabajadores, de los sectores marginados por la comunicacion comercial.

La importancia de los medios alternativos de comunicacion es cada dia mayor. Publicaciones, estaciones de radio manejadas por minorias y productores independientes, tienen cada vez un mayor alcance. Aun hay limitaciones (deficiencias en la informacion y presentacion, trabajos improvisados) sin embargo, la mistica de trabajo esta presente, y las deficiencias son menos dia tras dia. Asi, con avances y retrocesos, en ocasiones con titubeos, grupos minoritarios han empezado a expresar sus puntos de vista..

En suma, se estan dando las circunstancias para el macimiento y consolidation de medios comuncativos progresistas cada vez mas conscientes de su funcion como voceros y promotores de las causas populares y que sin lugar a dudas tendran un papel decisivo en el futuro de las mismas.

AL PIE DE LA LETRA

La indiferencia es nuestra cadena, y somos nosotros nuestros propios tiranos porque no ponemos nada de nuestra parte para destruirla. Indiferentes y apaticos vemos desfilar los acontecimientos con la misma impasibilidad que si se tratara de asuntos de otro planeta, y como cada quien se interesa unicamente por su propia persona, sin preocuparse de los interesa generales, de los intereses comunes a todos, nadie siente la necesidad de unirse para ser fuertes en las luchas por el interes general; de donde resulta que, no habiendo solidaridad entre los oprimidos, el gobierno se extralimita en sus abusos y los amos de toda clase hacen presa de nosotros, nos explotan, nos oprimen y nos humillan.

Cuando reflexionemos que todos los oprimidos, y nos hagamos, por lo tanto, el propsito de ser solidarios, entonces seremos capaces de transformar las circunstancias que nos esclavizan por otras que sean favorables a la libertad y al bienestar comunitario.

Dejemos ya de apretarnos las manos y de preguntar que sera bueno hacer para contrarrestar las embestidas de la tirania y de la explotacion. El remedio esta en nuestra mano: unamonos todos los que padecemos el misomo mal, seguros de que ante nuestra solidaridad se estrellaran los abusos de los que fundan su fuerza en nuestra desunion y en nuestra indiferencia.

Fragmento de discurso pronunciado por Ricardo Flores Magon, en El Monte, Calif.; en 1917.

Todos los jueves de las 6:15 p.m. a las nueve de la noche, KPFK presenta un resumen semanal de noticias,un programa de revista y una hora de musica Latinoamerica. Todos ellos cubre un amplio espectro de temas de interes para la comunidad de habla hispana.

Your Subscription

The Computer.
Our computer is located at our studio. Your payment may not go into the computer as quickly as you might think because payments go to our lockbox and through the bank before they are fed into the computer. This process often takes more than a week from the time you send your payment. So, if you send your check by the 1st of the month, you may receive the Folio for the following month.

Bill Payment.
Always send a bill with your check! We cannot credit your account correctly unless we know exactly what your check is paying for. If you send a check for a pledge payment without a bill, you might get credit for a new subscription and still be billed for your original pledge.

First Class Folio Mailing.
The Folio is mailed Second Class, and should take 2 to 5 days to get to most places. Unfortunately, our experience has not been good, especially with outlying areas. First Class mailing is available for $10 extra per year (prorated at 85 cents per month for current subsrciptions). If you get your Folio on time but would like to receive it *well before* the first of the month, you may want to get the First Class service.

I Didn't Get My Folio . . .
The Folio is mailed before the 24th of the month. If you have not received your Folio by the first of the month:
1) Check your subscription expiration date on the previous Folio mailing label (upper right hand corner of label).
2) Make sure you haven't moved without notifying us.
3) If you haven't moved and are currently enrolled as a subscriber, contact your local postmaster about delivery.
4) Send us a previous Folio label with an explanatory note and request a new Folio be sent to you.

Moving / Address Changes.
If you move, your Folio will not be forwarded unless you have requested Second Class forwarding from the Post Office. The best way to expedite an address change and assure continued receipt of the Folio is to contact us in writing 6 weeks before you move, giving us your name, old zipcode, and new address. There is an address form on the back page of the Folio that you can clip: it already has your current mailing label on its back. Always include your account number at the top of your Folio label for instant handling. Address changes that we get back from the Post Office cost us 25 cents apiece. Changes can take 8 weeks to affect your account.

Prisoner Subscriptions.
KPFK sends a free subscription to any prisoner upon request.

Cassette Folios for the Print Handicapped. The Folio is available on cassette (returnable) to all print handicapped subscribers. If you'd like to receive the Cassette Folio, please tear off the address label on the back of your Folio and send it along with a note (or you may call). Within 2 months, you'll be receiving your complete program guide on cassette. The cassettes are returned to us at the end of each month to be re-used.

Exchange Mailing Lists.
KPFK exchanges and rents its subscriber lists to other organizations of common interest (Channel 28, Ralph Nader, ACLU, etc.). If you don't want to be on exchange mailing lists, send your Folio label to the Subscriptions Department and ask for an "NJ" code. Your name will then be automatically excluded from all mailings except for the Folio and other communications from KPFK.

ACTIVIST FILE

One thing KPFK has always needed is a centralized, up-to-date file of activists and their organizations. Staff and volunteer programmers have come and gone—and so has access to their contacts, address books, and rolladexes. Work on such a file has begun. This form has been developed so you'll know what information we'd like to have. If you or your organization want our programmers to know about you, please fill it out and send it to KPFK c/o Activist File. Thanks!
